"And he said: This is the Great Tree of Peace. He said: Its roots will be four white roots of truth that reach in the four directions of the earth, and those that have nowhere to go can follow the root back to its source and come under the protection of the Great Tree. And he said: on top of this tree I place the Eagle, and the Eagle who will watch everything and watch and guard the security of this tree and will let us know when problems are coming. And he said that this tree of peace is a Spiritual Law. And represents a Spiritual Law. And the Spiritual Law, is the Law of Nature. And he told us explicitly: Never challenge this law. Because you cannot prevail.
You will not prevail"
— Chief Oren Lyons —

As a warrior of the light I walk with one arm into the light, one arm into the dark to give humanity "A Final Warning"

Do you want to be the dark or do you want to be the light? Do you want harmony or do you want disorder? Do you want goodness or do you want evil?

Now is the time to choose

The World has found a way Home through the Source of Mind

Listen Carefully what i have to say

De mensen met het grootste hart, zijn het grootst gebroken in deze wereld

Een pijnlijke waarheid

It needs to stop

Death is not the end. You travel to other worlds

Remember

Deze wereld gaat ten onder en er zal een nieuwe wereld geboren worden. De Vader van deze Aarde is klaar met alle verderf en destructie. De Dag des Oordeels is gearriveerd. Velen zullen komen te overlijden en terugkomen bij de Bron. Diegene die overblijven zullen de Nieuwe Aarde vormen

Don't understand it. Trust on the Divine plan that is unfolding in front of our eyes. Don't resist. Keep that spirit alive. Be Brave

En het Woord was God. En het Woord was Goed

"Everything is spiritual, everything has a spirit, everything was brought to you here by the Creator, the one Creator. Some people call him God, some people call him Buddha, some people call him Allah, some people call him other names. We call him Tunkashila, Grandfather"

— Floyd “Red Crow” Westerman —

Alle woorden, alle kennis, alle inzichten zijn verbonden aan jouw ziel. Mijn hart gaat in het bijzonder uit naar mensen zoals jij

I am Eyowa and i will present to you the New World Order and it will be nothing like those psychopaths have envisioned

Evil elite you are going to burn in hell

Your time has come

Beautiful people let's create a paradise in Harmony and Peace

I am speaking on behalf of the Creator

The Creator of this Universe

Listen carefully what i have to say

I am the reminder of what We once knew

"I must not fear,

fear is the mind-killer"

"See, thy friend

See, my friend"

“The mystery of life is not a problem to solve, but a reality to experience. A process that can not be understood by stopping it. We must move with the flow of the process. We must join it. We must flow with it"
"Let go.. Let go.."

— Dune (2021) —

I will carry the name of the Supreme Being with me. Eyowa is a divine intelligence that serves life and is life itself

"I'm trying to free your mind Neo. But I can only show you the door. You're the one that has to walk through it"

— Morpheus (The Matrix) —

If only We knew how profoundly sick this world was going to be there would not have to be a divine intervention from above

This world is dark to the core until it is light to the ground

"If wars are started with secrets and lies...
Maybe we can start peace with transparency
and openness"

— Collective Evolution —

Ik ben het woord. Het woord van God. Volg mij en u zal gevonden worden. Vertrouw op mij. Eyowa in uw hart. Vind u zelve en draag het mee. Het levende licht van al het leven

Hemel op Aarde

Ik bescherm wat goed is, ik heb een aversie wat slecht is. Zo bepaal ik wie de Hemel gaat vinden en wie de hel gaat vinden

Het laatste oordeel

Ik draag dit boek op aan Nala

The Lion Queen

Mooie ziel, waar je ook bent ik draag je tot in oneindigheid in mijn hart

Ik wens nog vele hartenlevens met jou

Dank voor al je zorgen, liefde en verdriet

Het spijt me voor mijn tekortkomingen

Wat ben jij een leukerd

In this book We is with a capital. An emphasis that in essence there is only We, there is only Us. The All encompassing All

Let this be a reminder for that

And let Us give us less attention to the ego by putting the I into i

A reminder that we are not separate from this World

We are the World

In essence there is no separation

We are the All and All that exists

To bring Harmony and Peace to All that exists

That's the mission
