

It's fun to visit a foreign country.
You can get there by car or boat.
But an airplane is even faster!
The pilot will get you there safely.

*flying
is fast!*

The pilot wears a uniform.
She looks handsome, doesn't she?
The golden stripes on her jacket show her rank.
She has her pilot's hat and pilot's bag.
Both girls and boys can be pilots, of course!
