

I'll tell you this story, because it may help you one day.

It begins with a boy who wore an **ORANGE CAPE** to school every single day.

The brave young boy's name was **Corey**.
And **Corey** stuck out like a sore thumb.

All the kids stared at him. They thought he was weird, and called his **ORANGE CAPE** silly.

Billy, the school's biggest bully, thought **Corey** and his **CAPE** were absurd. So what did Billy do?

He followed **Corey** around and ripped his **CAPE** right off.
