

Little Tractor lives on Big Oak Farm.
Lili the trailer is his best friend. He has many
animal friends, too: Laura the duck, Leo the pig,
Jules the dog, Annette the chicken, Anton
the horse . . . And then there's Daddy Tractor.
Little Tractor looks up to his daddy because
Daddy is big, strong, and not afraid of anything.

“Today we’re going to do something special together,” Daddy Tractor says one morning. “What is it?” Little Tractor asks enthusiastically. “We’re going to go to the top of the hill, and then we’ll race down superfast.”

“Fun!” Little Tractor says. He loves doing special things with his daddy.
