

Learning with Skip

In this book, you and Skip will learn about emotions. He has butterflies in his tummy and feels disappointed, surprised, startled, sad, impatient, shy, scared, proud, and happy. After reading the story, you can discover even more emotions.

Learning is fun, and together with Skip it'll be even more fun!

Today is Skip's birthday.
He has butterflies in his tummy.

Who will come?
Will there be cake
and presents?
