

Butterfly is flying high.
Bumblebee comes buzzing by.

They bump, surprised, and spin around,
tipping, tumbling to the ground.
"I'm sorry, friend, are you okay?"
But Butterfly just flies away.

Bumblebee stings Chipmunk—**“YEOW!”**

Chipmunk runs, bumps into Cow.

“Move, you ox, you’re in the way.”

Cow just snorts and chews her hay.

Bumblebee, now feeling sour,
lands upon her favorite flower.
Chipmunk stops to take a bite.
Bee yells, **“MINE!”** and starts a fight.
