I carried messages for the Resistance.
Secret messages from fighter to fighter.
There were German soldiers everywhere.
I was always in danger.

RESISTANCE FIGHTER

The Story of a Secret War

In World War II, Germany was at war with Britain and many other nations.

Germany invaded a number of countries including Poland, the Netherlands and France.

People in these countries lived under German occupation, or rule.

Thousands of people in occupied countries became resistance fighters.

They launched surprise attacks on German soldiers.

They blew up bridges and railways to make it hard for German forces to move around.

They spied on the Germans and sent information to Britain.

Britain helped the brave resistance fighters.

Secret agents were sent from Britain to occupied countries.

These highly trained men and women helped fight this secret war.
