

1. Many insects mistake **Orchid Mantises** for flowers and end up becoming lunch. Spot **TWO** before it's too late!

2. **Ring-tailed Coatis** use their long noses to probe into gaps for grub. **ONE** looks really hungry!

3. Peekaboo! **Leaf Mantises** are masters of disguise. See if you can find all **THREE**.

5. What's it like to see the world upside down? Let the playful **Opossum** tell you.

4. **Stick Insects** can mimic twigs; so don't let **ONE** of them fool you!

6. **Stoats** have brown fur that turns white to blend in with the winter snow. **ONE** is peeking at you!
