

An illustration of a garden scene. In the foreground, two small birds with olive green upperparts, yellow underparts, and white throats are standing on a bed of brown grass and soil. The bird on the left is facing right, and the bird on the right is facing left. They are surrounded by various flowers, including white daisies with yellow centers, red tulips, and small red flowers. In the background, there are several trees with brown trunks and light green foliage. A wooden fence is visible behind the birds. The overall style is soft and painterly.
