A detailed illustration of a lion as a monarch. The lion is the central figure, depicted with a golden mane and a regal expression. It wears a crown adorned with flowers and a dark, patterned tunic with a gold belt. In its right paw, it holds a golden scepter. The background is filled with intricate, colorful patterns in shades of purple, gold, and red. In the upper left corner, a sunburst contains the number '4'.

*De Hogepriester*

A golden sunburst with a central number 6, set against a background of a woman embracing a lion in a classical architectural setting. The scene is framed by two stone pillars with lion heads and a central archway. The woman is wearing a light-colored, ruffled dress and is lying against the lion's back. The overall tone is warm and romantic.
