CHAPTER 1 INTRODUCTION ..... 1

**JANNEKE GERARDS**

CHAPTER 2 GENERAL ISSUES CONCERNING GENETIC INFORMATION ..... 5

1. Introduction..... 5

2. ‘Genetics exceptionalism’ and the definition of genetic information ..... 5

2.1. Genetic information and other health information; the case for ‘genetics exceptionalism’ ..... 5

2.2. Definition of genetic information ..... 11

3. Interests involved in protection of genetic information ..... 12

3.1. Introduction: individual genetic privacy and nondiscrimination interests ..... 12

3.2. (Private) insurance..... 14

3.2.1. Advantages of unrestricted access to genetic information..... 14

3.2.2. Disadvantages of unrestricted access to genetic information..... 17

3.3. Employment ..... 18

4. Regulating genetic information: general issues..... 19

4.1. Introduction..... 19

4.2. What areas should be regulated? ..... 20

4.3. ‘Level’ of regulation: regulation by federal/supranational or national authorities? ..... 20

4.4. Regulative possibilities ..... 21

4.5. Privacy or nondiscrimination approach, or a combination of both? ..... 23

4.6.	Flexible or rigid approach; wide or narrow exception clauses? .....	24
5.	Conclusion.....	26

**AALT-WILLEM HERINGA**

**CHAPTER 3 INTERNATIONAL AND NATIONAL LEGAL INSTRUMENTS .....** 27

1.	Introduction.....	27
2.	Global standard setting.....	28
3.	European provisions: Council of Europe and EU .....	31
3.1.	Council of Europe.....	31
3.1.1.	Article 8 ECHR.....	31
3.1.2.	Article 14 and Protocol No. 12 ECHR .....	37
3.1.3.	Other Council of Europe treaties.....	37
3.2.	The Personal Data Convention .....	40
3.3.	The European Union .....	41
4.	Findings .....	45

**HELEEN JANSSEN**

**CHAPTER 4 GENETIC INFORMATION IN EUROPEAN STATES.....** 47

1.	Introduction.....	47
1.1.	Genetic discrimination in employment and insurance .....	48
1.1.1.	Insurance.....	48
1.1.2.	Employment .....	49
1.1.3.	The problem with the use of genetic information: cause for genetic discrimination .....	49
1.1.4.	The problem with genetic information: loss of self-determination with regard to personal data .....	50
1.2.	Definition of the problem .....	51
1.3.	Work plan and approach.....	52
2.	Elaboration of genetic privacy and genetic discrimination .....	53
2.1.	Advance and uncertainty in genetics.....	53
2.1.1.	Predictability .....	53
2.2.	Genetic discrimination and other forms of discrimination.....	54
2.2.1.	The principle of non-discrimination .....	54
2.2.2.	Genetic and other kinds of discrimination.....	55
2.2.3.	Employment relationships .....	56
2.2.4.	Insurance: actuarial fairness.....	57

2.3.	Genetic privacy and other personal privacy .....	57
2.3.1.	Genetic information: persons affected .....	57
2.3.2.	Other persons with interest in genetic privacy .....	58
3.	The legal systems .....	59
3.1.	Austria .....	59
3.2.	Belgium .....	61
3.3.	France .....	64
3.4.	Germany .....	66
3.5.	Greece .....	71
3.6.	Ireland .....	74
3.7.	Italy .....	77
3.8.	Norway .....	80
3.9.	Portugal .....	81
3.10.	Switzerland .....	82
3.11.	United Kingdom .....	88
4.	Overview and conclusions .....	91
4.1.	Overview .....	91
4.1.1.	Legislation on genetic information .....	92
4.2.	The necessity of genetics legislation .....	94
4.3.	Choices of legislation techniques .....	98
4.3.1.	National or international protection of genetic information? .....	100
4.3.2.	Protection by inserting rules in existing legislation or adapting new legislation? .....	100
4.3.3.	Protection of genetic information by privacy or discrimination regula- tion, or both? .....	102
 <b>JANNEKE GERARDS</b>		
CHAPTER 5 REGULATION OF GENETIC INFORMATION IN THE UNITED STATES .....		105
1.	Introduction .....	105
2.	Particularities of the American system .....	107
2.1.	The federal system and the relationship between federal government and states .....	107
2.2.	The American system of health insurance .....	114
2.2.1.	Introduction .....	114
2.2.2.	Individual and group health insurance .....	115
2.2.3.	Self-insured employers and health plans .....	117
2.2.4.	Government-sponsored (public or social) health insurance plans .....	120
2.2.5.	Consequences of the characteristics of the American insurance system for the debate about genetic information .....	121

Table of Contents

2.3.	The American academic debate about genetic privacy and discrimination.....	123
2.3.1.	Introduction.....	123
2.3.2.	Genetic information and other medical or health information .....	124
2.3.3.	Definition of genetic information .....	129
2.3.4.	Access to and use of genetic information by health insurance companies.....	130
2.3.5.	Necessity of genetics legislation – other arguments .....	138
2.4.	Basic principles for legislation concerning genetic privacy and genetic discrimination .....	141
2.4.1.	Introduction.....	141
2.4.2.	What fields/businesses should be regulated? .....	141
2.4.3.	Protection by existing legislation or by new, specific legislation? .....	143
2.4.4.	Protection on the federal or state level?.....	143
2.4.5.	General, flexible regulation or specific regulation providing for narrow exceptions?.....	144
2.4.6.	Prohibition of discrimination, protection of privacy, or both?.....	147
2.4.7.	Other recommendations .....	150
3.	Federal legislation relating to genetic discrimination and privacy in the field of employment and insurance.....	153
3.1.	Introduction.....	153
3.2.	Existing federal legislation relating to discrimination in the field of insurance and/or employment.....	153
3.2.1.	The Americans with Disabilities Act (ADA).....	153
3.2.2.	Title VII of the Civil Rights Act 1964.....	168
3.2.3.	The Employee Retirement Income Security Act (ERISA).....	171
3.2.4.	The Health Insurance Portability and Accountability Act of 1996 (HIPAA) .....	173
3.2.5.	The HIPAA Privacy Regulation of 2001 .....	178
3.2.6.	The Genetic Executive Order 13145 .....	180
3.2.7.	Constitutional protection of genetic privacy.....	184
4.	Proposed federal legislation.....	189
4.1.	General overview.....	189
4.2.	Description of the bills relating to genetic information introduced by the 108 <sup>th</sup> Congress.....	191
4.2.1.	The Genetic Information Nondiscrimination Act of 2003 (S. 1053 SE).....	191
4.2.2.	The Genetic Nondiscrimination in Health Insurance and Employment Act (H.R. 1910) .....	201
5.	Conclusion.....	207
5.1.	Introduction.....	207
5.2.	Is specific genetics legislation really necessary?.....	208

5.3.	To what extent should genetic or other health information be protected? .....	211
5.4.	Basic principles of legislation concerning genetic or other health information .....	213
5.4.1.	Introduction .....	213
5.4.2.	What fields should be regulated? .....	213
5.4.3.	Protection by existing legislation or by new, specific legislation? .....	214
5.4.4.	Protection on the federal or state level? .....	215
5.4.5.	Prohibition of discrimination, protection of privacy, or both? .....	217
5.4.6.	General, flexible regulation or specific regulation providing for narrow exceptions? .....	218
5.5.	Final remarks .....	219
<b>JANNEKE GERARDS</b>		
CHAPTER 6	CONCLUSIONS .....	221
1.	Introduction .....	221
2.	Genetic and other health information; definition of genetic information .....	223
2.1.	Genetic information and other health information .....	223
2.2.	Definition of genetic information .....	226
3.	Regulating genetic information .....	227
3.1.	Introduction .....	227
3.2.	What areas should be regulated? .....	227
3.3.	Protection by existing or new legislation? .....	229
3.4.	'Level' of regulation: regulation by federal/supranational or national authorities? .....	231
3.5.	Regulatory possibilities .....	233
3.6.	Privacy or nondiscrimination approach, or a combination of both? .....	235
3.7.	Balance of interests: contents of prohibitory measures and exception clauses .....	237
