Fake news rukt op! Maar daar kan Eugène niet mee zitten. In een wereld met twitterende honden, kerstvierende egels, prehistorische stappentellers en veeleisende eenden is de realiteit immers toch al ver te zoeken. Toch gaat het ook Eugène te ver als het nepnieuws wordt gevolgd door een nepweerbericht.

'Nepnieuws' is alweer het tiende album in de reeks Eugène, de strip die wekelijks te lezen is in Veronica Magazine en iedere twee weken in Eppo stripblad. Behalve Eugène maakt Jan Dirk Barreveld ook de strip 'Kind aan huis', waar inmiddels één album van is verschenen.
