

SIMPLY SURREAL

This is not a tourist attraction.

**MANNEKEN PIS
IS A QUESTION
TO WHICH THE VISITOR
QUESTIONED
REACTS.**

Manneken Pis?
It is what it is.

We could say:
"Move along, there's nothing to see."

Or:
"It is a non-event"

Or even:
"Is that a national monument? This is surreal. "

For all these reasons, Manneken Pis is the monument
that best represents this country.
