YOU CAN DO IT.**

FOREWORD

A book that teaches you the beginning of hairdressing step by step, in 3 ways. I provide explanations via text, photos and videos.

This is a book for:

- People with affinity for hair and creativity.
- Beginning professionals.
- Creative people who are interested in becoming professionals.
- People who enjoy working with hair.

You must start somewhere and with this book including all of the useful additions, an explanation has never been more straightforward.

A book where text becomes visual.

It is my mission to make people self-confident, empowered and beautiful by connecting and reinforcing their inner being with their outer appearance. To give people great haircuts and guiding people who want to create beautiful hairstyles. Be creative, be confident in yourself, but stay critical.

“If you want something, work for it. It’s that simple.”

Warm regards,

Laura
