

1

## Rijtjes aanvullen

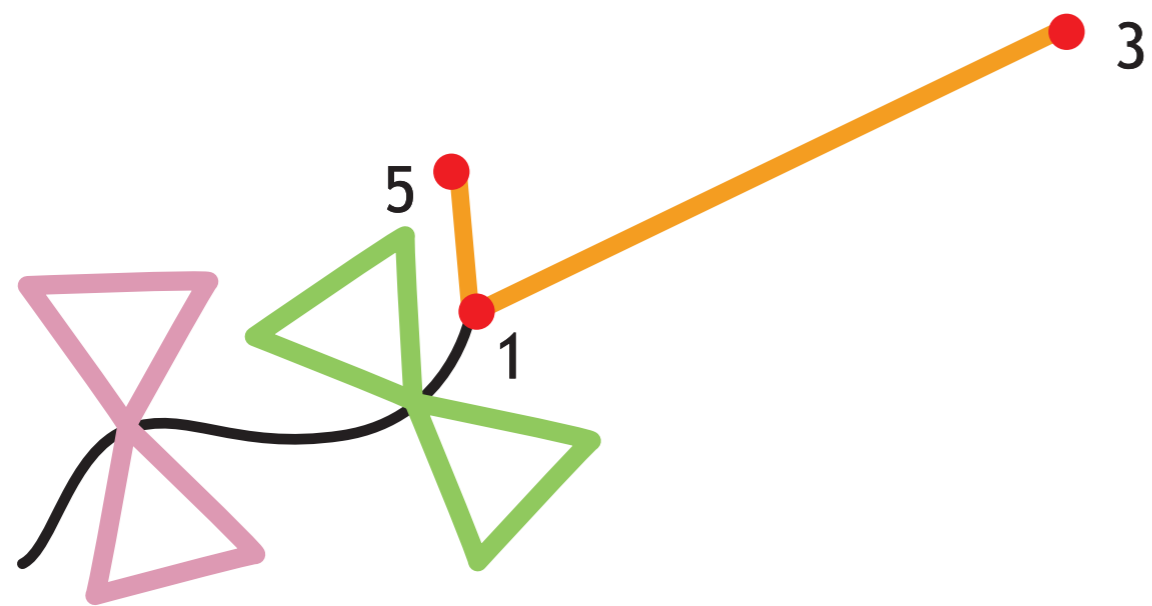

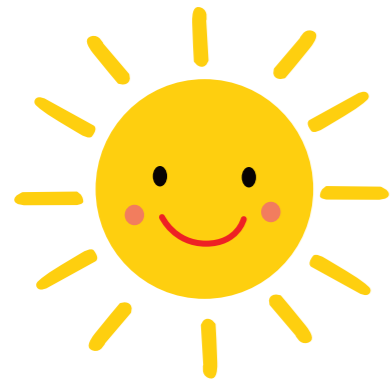

Maak de rijtjes verder af door de juiste dingen te tekenen.

2

## Van stip naar stip

Verbind de cijfers van 1 tot 5. Wat vliegt er in de lucht?  
Kleur de tekening in.

3

## Lieveheersbeestjes

Geef de lieveheersbeestjes stippen door met je stift over de stippellijnen te gaan.
