Book Dedication:

This Book is Dedicated to my husband, Dreamer.

To My Brother *Oso*.

To My Feral Sons: *Braden, Bryson, and Demetrius*.

My Muses and Inspiration.

*Bad chapters happen and can still create great stories.
Wrong paths can still lead you to the right places.
Failed dreams can still create successful people.
And sometimes, it takes losing yourself- to find yourself.
Thank you, for always being the very best part of me.*

_For All Our Evers.

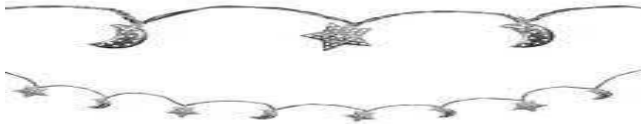

Enchanted Tribe,

Now is the time for action, the conditions for your future success are in perfect alignment. You have all the talent, resources, and opportunity you need to move forward.

Do not second guess yourself.

Focus on what is right in front of you.

I choose to be Patient.

I choose to TRUST the process.

Everything I have visualized, intended, prayed about and worked on *is in the process of manifesting.*

I will Remain centered and at peace.

I will be STRONG and continue to believe.

It is ALL about to happen for me.

Sometimes all you need is 20 seconds of insane courage.....(Inhale)

20 seconds of courage.....

20 seconds of the absolute most embarrassing bravery.

I think it's so brave that you get up in the morning even if your soul is weary and your bones ache for a rest.

I think it's so brave that you keep on living even if you have lost your way and don't know how to anymore.

I think it's brave that you keep pushing away the waves rolling in with each passing day and you choose to fight.

Enchanted Tribe,

Focus on ALL that you have, much rather than what you feel you are missing or lacking thereof.

Practice gratitude each day, it helps you to attract more abundance into your life.

YOU Deserve **EVERYTHING** the *Universe has to offer you.*

Never let anything or anyone make you forget who you truly are.

You are a powerful spirit. All doubt is an illusion. Snap out of the overthinking and questioning your own greatness. It's time to claim your own natural gifts.

It is time to walk your purpose.

Nothing in the future even exists yet.

But anything is possible right now.

Including the things, you think you cannot do.

Affirm:

“My soul is ready to live the life of my dreams.”

I was asked, "Who is your best friend?"

I replied, "I don't know. I don't even use language like that anymore. It doesn't fit. I have friends that hold the keys to different doors of my personality. And some open my heart."

Some my laughter.

Some my sin.

Some my civic urgency.

*Choose to shine, no matter how bad the storm.
You are a resilient, enchanted individual- who can
get through anything. What is yet to come, is better
than what is gone. Get ready for an abundance of
blessings, miracles, and divine magic.*

Are you ready?
