ABOUT THE AUTHOR RODO:

Hi my name is Rodo and my dream is to become a well remembered author. Ever since nursery, I loved books and I still do. So that's when I found out that everyone could publish a book on sweek.com. So during Covid-19, I have decided to use my spare time to write a book of my own. So I hope you enjoy it. One of my books is about a girl who lives in an orphanage called Autumn. But all of a sudden, a mysterious letter arrives and changes her entire life for good. Her name is Safia Taylor Belmon and she is a witch in training. This book is called Rebel Rockers and the watch!!! This is dedicated to my family and 7 people I wont say until the end of the series. So I hope you enjoy it.
