Glad you got the second part connected in your hands!

The first part was a start to lead you as a reader to the path of God.

I secretly hope that I succeeded ☐

If so, then I am very proud of you and would like to welcome you to the kingdom of God.

In this book I am going to write about the streams of water!

Do you have green fingers? I don't have them.

Just creative fingers.

How nice I also like plants in the house!

I ended up buying fake plants because I can even make a cactus die and drown an ordinary plant.

This is sometimes like my life of faith, if I fill my head with worldly things then my relationship with God gets diluted too!

So it is important that you sit by God's water streams every day and be planted there!

Will you join this 2nd adventure?

Then I would like to take you through some of the topics that I have written down here.

Also enjoy the fine poems and the beautiful works of art.

HUBERT KOLLEE

54 Years Old

**Hi, I'm Hubert Kollee.**

**I was born on April 14, 1968 in Son en Breugel.**

**Due to a difficult childhood, I ended up in psychiatry due to my own failure.**

**I was there for 1991 to 2000.**

**I've been through a lot there.**

**The doctors said I wouldn't get out of here.**

**I then asked my dear Lord Jesus, 'if You really exist', 'take me out of here'.**

**God kept his word and took me out step by step.**

**So it took years!**

**I did a lot of volunteer work in psychiatry and also by God's grace I wrote poems from then on.**

**Every time with periods and then nothing for a while.**

**The poems just come to mind and then I commit them to paper.**

**I like the collaboration with Candy and that we are now also connected with other Christians, who work together on this series of poems and works of art.**

**Regards, Hubert**
