First edition 2020

Hello,

yes 4.99 or 9.99 euries you know that's euros

right?

If you immediately start to complain, , then you shouldn't
read any further....

Life is not perfect,

we humans are not perfect ...

and we make mistakes and errors ...

First the price?

You can buy the "Hobbit" Story for 4.99 or 9.99 You can also buy
the story about the clown IT for 4.99 or 9.99.

After reading those stories you have nothing

I don't mean they aren't good stories,

they are fantastic....

But then you just have nothing

And the intention is that you will be left with a lot

after reading my book.

Why ?

Tips, action steps, strategy, tactics,

that get you results ...

I think you want to double your income,

your sales, your profits and your bank balance ...

If the price was a barrier for you, then hopefully you have passed
over it,

otherwise you should not continue to read this book ...

My company used to be a one-man business Hajro,

I was the owner,

I started it on September 1, 2015 ...

It sells greeting cards offline, door to door,

sets of 5 greeting cards.

On December 3, 2019, I founded Hajro BV,

at the notary,

on December 4 it was registered with the Chamber of
Commerce.

It's the same business, different legal form.

It sells greeting cards,

gift mugs,

in this case coffee mugs filled with candy,

books and the like....

The like... is my author merchandise,

printed T shirts with slogans from my books.

It only sells books that I have written ...

The subsidiary is Hajro Publishing,

so that I pay less tax on the earnings from my book sales ...

Maybe you should first read what's on my author's
website....

You can find it on

www.jasminhajro6.webnode.nl

There you can also download a bundle of mine for free ...

my first 10 books translated into english ...

I will also summarize it for you here,

so we can move on ...

I have published my books with many self-publishing companies
such as Kobo.com,

Lulu.com,

Amazon.com at their KDP the Kindle Direct Publishing, at

Streetlib.com, draft2digital.com

and mijnmanagementboek.nl

I am an author and my own publisher ...

They offer self-publishing ...

So they only put your book for sale in their webshop.

You have to do the promotion and marketing and everything else yourself.

When people buy your book in their webshop, then they pay you your royalties properly .

That's 70% or less of the selling price ...

I also approached traditional publishers ...

One of their websites said the following:

Most books are written by ghostwriters ...

It says that literally

and that publisher also offers that service....

Well....

Most authors are experts at something ...

often at the subject of their book....

What does it tell you what it said.... ?

What does that tell you about most experts ?????

They haven't even written their own book, someone else did, so they have no expertise....

They are fake....

More actors than anything else....

I am ashamed to mention somewhere that I only

earn an average of E 500 per month ...

with my business ...

that's my monthly average this year

the year 2020 ...

And that I had only sold 500 books

of which paid and free titles....

But not anymore....

That's how it goes in reality ...

with a real company and a real author .

I have written,

and improved all my books myself

I made my own covers,

translated into English myself and self-published myself because I

am my own publisher, .

Nowadays my company Hajro BV is my publisher because that is tax

technically more advantageous. Therefore, many of those "authors" "

not available by email, mail or telephone....

I think they do it for the following 2 reasons ...

Oh by the way when they say I don't have time to write ...

Bullshit ...

So you work 16 hours a day and 7 days a week, so you only have time to sleep and work and don't have 1 hour off every Sunday to write ???

Who lives like that?

You see it's bullshit and lies ...

They do it because....

1. It's easier

2. It is better if an experienced writer or copywriter writes the book, then it is much more likely that the book will sell well and they can make money off it.

Makes it harder for us, doesn't it? Makes it more

difficult for you, as a reader
