# Chapter 1

# Roots

No words can describe the feeling of having  
your first child.

Two souls are filled with love and passion.

Just because they met somewhere.

just because they were madly in love.

Those people created another living soul.

It's made with love, they said.

We will grow together.

Mom & dad

Nothing can ever break a bond between  
a brother and a sister.

One belly  
Two beating hearts  
One egg  
created two souls  
One survived  
One will be our little star.

ode to my little sister

Rainbow baby

Her tiny hands, tiny feet, tiny smile.

It made us complete.

even when all the luck is gone.

We will still be the 4 musketeers.

Oh, how nice it would be if this day could last forever.

As the world spun around me,  
I stood on the brink of my childhood,  
a mix of terror and hope dancing in the air.

Every step took me further.  
From innocence to the unknown.

I looked back at the games,  
The warm summer nights,  
Where I forgot my worries,  
And the stars were my only guide.
