Dedication

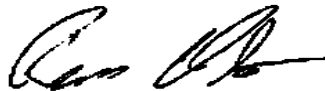

*I would like to dedicate this work to all democracies,
as well as to a free
and independent media landscape worldwide.*

*For the following true story demonstrates the fragility of democracies
when the legislative, judicial, and executive branches
conspire together to commit treason and
the media are under their direct influence!*

*Furthermore, I hope with this work to make a contribution
to a "United People of America"!*

*"Nip it in the bud!"**

**(Please be sure to read my epilogue)*

Thank You

To my dearest Robert (Robbie)!

*I would like to express my deepest gratitude!
You came into my life at exactly the right time and helped me
free myself from the deep emotional hole I was in!*

complete this work so quickly – you motivated me and
reawakened my joy of life, enthusiasm, and energy!*

You, a gift from heaven, are a fountain of youth for me!

*According to our shared motto:
"Live your dream, don't dream your life!"*

*I will always love you and, just as you do, always make me
blessed, until the very end!*

Cherie! Forever yours

is the firmest pillar of good government!*

*Power without accountability
is like a fire out of control!*

*If you live by the gun,

Forword

„Like Father like Son!“

It's only natural that I'd also be interested in the tragic accidental death of JFK Jr., his son, if I intend to investigate the circumstances surrounding the assassination of his father, John Fitzgerald Kennedy!

As a matter of routine, I took a closer look at the facts, and lo and behold –
There's a dramatic twist in the death of JFK Jr.!

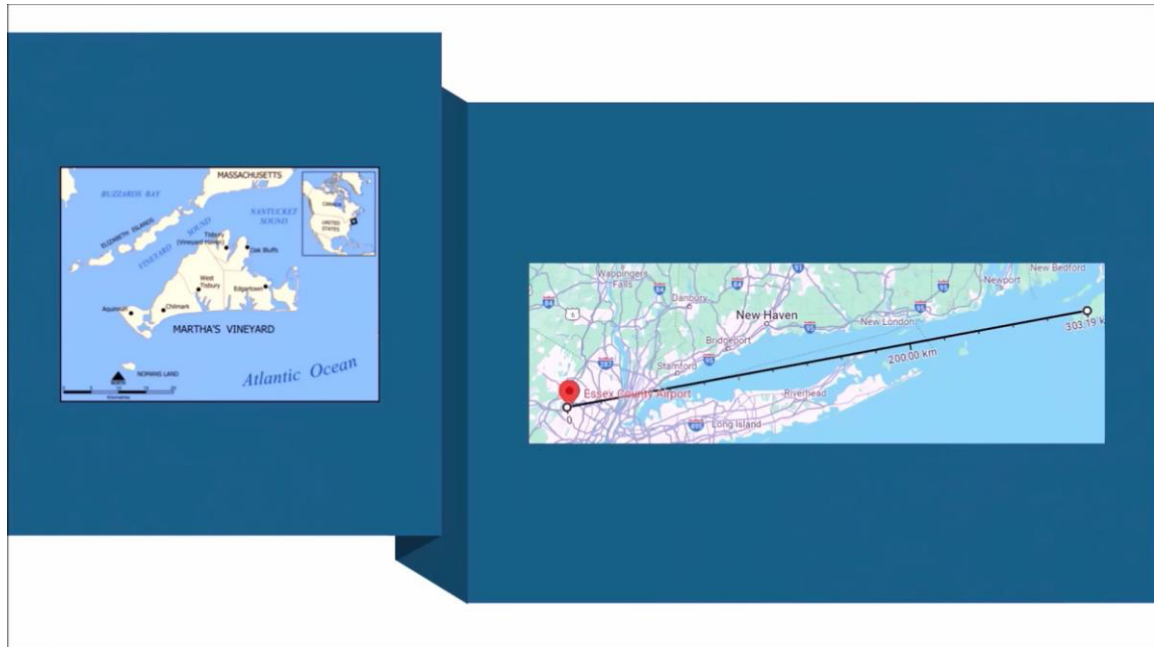

According to the U.S. Coast Guard accident report, John Fitzgerald Kennedy Jr. took off from Essex County Airport toward Martha's Vineyard Airport **at 8:30 p.m. on Friday evening, July 16, 1999.** Also on board were his wife, Carolyn Bessette, and his sister-in-law, Lauren Bessette! **At approximately 9:41 p.m.,** Kennedy's plane crashed almost vertically, nose-first, into the Atlantic Ocean!

Everyone on board died instantly!

The wreckage was discovered days later with the bodies still on board!

JFK Jr.'s urn, those of his wife, Carolyn, and her sister, Lauren, were interred at sea **on July 22, 1999**, after a ceremony aboard the destroyer **USS Briscoe** between Martha's Vineyard and Hyannis Port.

The aircraft involved in the accident is said to have been a **PIPER PA-32R-301 SARATOGA II** with the registration number: **N9253N!**
