TITLE: KARANDASJ

AUTHOR: NOA MIMIS

27 poems

Photo: Copilot

Word twists that sprang from my brain
in the period 2000 – 2026

ISBN: 978 940 386 1081

NUR: 306

Publisher: BOOKMUNDO

Waalwijk, 13-01-2026

Through publication, you can get close to each other as a writer and reader.

The sound of my past drips past a loosely controlled mouse

Echoes of voices behind metal doors
The fierce wind pushes the tracks away again
The stars in the pond shine

They can't drown
Neither does swimming
They can disappear

Perhaps from fatigue
