AN EVENING WITH STUDIO STOUTPOEP

YOUR STYLE
OR MINE?

P E L C K M A N S

This book is the artistic legacy of a man who goes through life as Domien. He calls his work 'art', but as his friend and contact person, I would rather describe it as the ultimate proof that combining a drafting table with an overdose of caffeine, can be very dangerous. Domien has spent hours creating this book, so please be kind enough to at least laugh. When he's around, that is. When he's not, you can do whatever you want.

Sieg De Doncker

An evening with Studio Stoutpoep:

Chapter one:

Take off your jacket

We all know it's not the last thing
you will take off

OPTIMIST

PESSIMIST

VAMPIRE

Mom, was I
adopted?

Do you think I would
have picked **you** if
I had a choice?

You're losing a lot of blood.
What's your type?

Tall, blonde and a
good sense of humor.

Why are you against
breastfeeding in public?
It's perfectly normal!

I'm not against it, mom,
I just want something else
for dinner...
