

The mind
is everything.
What you
think you
become

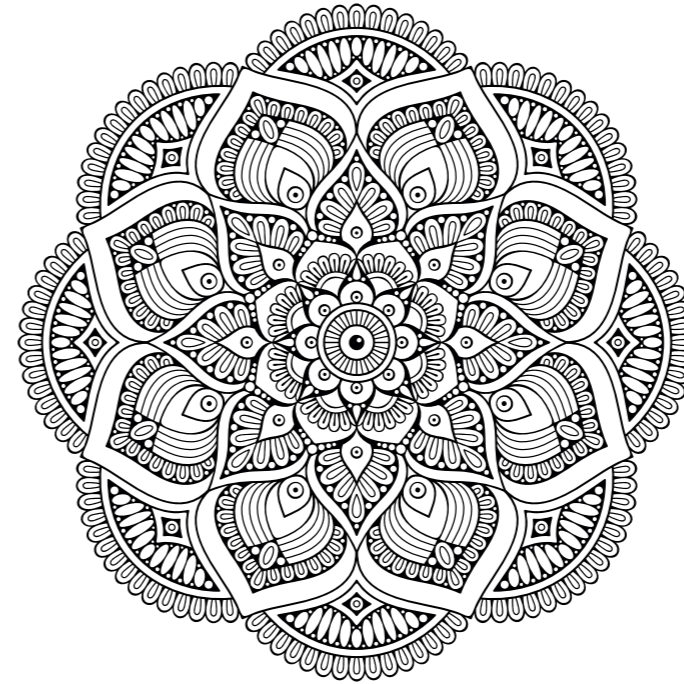

BUDDHA

**Stay
away from
negative
people**

The background of the image is a repeating pattern of watercolor-style leaves in shades of brown and tan. The leaves are arranged in a dense, overlapping manner, creating a textured and organic feel. In the center of the image, there is a white circular area containing the word "balance" in a black, handwritten-style font. Above and below the word are decorative black line-art elements resembling small branches with leaves.
