

A colorful illustration of a forest in autumn. In the foreground, a brown squirrel with a large bushy tail stands on a tree stump, holding a nut. To its left, a brown hedgehog is curled up on the grass. In the background, a grey beaver sits on a wooden bridge over a stream. The forest is filled with trees with green and orange leaves, acorns, mushrooms, and various insects like a blue beetle, ants, and a spider. The sky is light blue with falling leaves.

De eekhoorn springt van tak naar tak,  
ze is erg snel.  
Ze heeft een zachte vacht,  
voel je wel?

Wie is er groot en sterk en brult heel luid?  
Dat is de beer, dus kijk maar uit!
