Digital engineer,
Traditional engineer

Ernst van Baar

DEDICATION

Coming together is a beginning. Keeping together is progress. Working together is success.

Henry Ford – 1863-1947 - Founder of the Ford Motor Company

**For Niels, Lars, Matthea and for people who make digital engineering great.
And for all the amazing people that make our lives better.**

**To avoid criticism, say nothing, do nothing, be
nothing.**

- ARISTOTLE -

CONTENTS

Digital engineer, Traditional engineer – 1

Chapter one – 4

Lesson one

Chapter two – 8

Saturday lessons

Chapter three – 31

Transformation

Chapter four – 44

Becoming digital

Acknowledgments – 72

Index – 73

About the author – 76

Notes – 77
