

Today, it's Halloween. That's when everything looks scary. Lily and Milo want to celebrate together. Are they brave enough?

Yes, they are! First, they look for costumes. They find a pink wizard's robe with a tall hat and a magic wand, a spooky ghost cape, and a scary green dragon costume. What will Lily wear? And what does Milo prefer?

Lily puts on the wizard's robe and places the hat on her head. She waves the wand. Look, Lily is a wizard now!

Milo has a hard time deciding. The ghost cape is nice, but so is the dragon costume. Which Halloween costume will he wear?
