

“Hedgehog,” Mouse says while they’re staring at the clouds together, “you’re my **biggest** friend.”

“And Mouse,” Hedgehog says with a smile, “you’re my **littlest** friend.”
Mouse frowns. “I’m not that **little**, am I?”

Hedgehog doesn't respond but jumps into the stream. Mouse follows after him.

While Hedgehog and Mouse frolic in the water, a pine cone whizzes through the air. "Catch, Hedgehog!" Raccoon hollers cheerfully.

Hedgehog grabs the pine cone and throws it back at Raccoon. "Hey, Hedgehog, what are you doing? You and I were playing together, weren't we?" Mouse squeaks.

SPLASH!
