

My name is Pepper.
My humans also call me
Pepperoni or Peppermint.

I like digging
and eating grass.

I enjoy chasing squirrels.

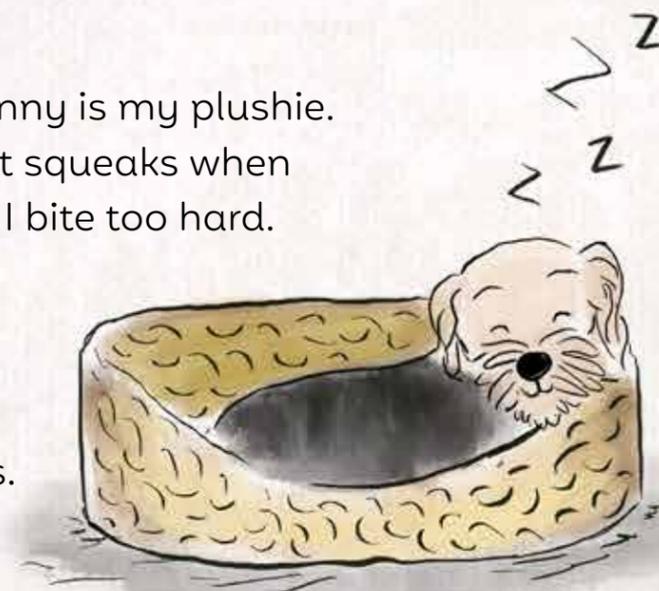

I live with my humans
(Mom, Dad, Max,
and Léa) and two cats
(Colby and Cooper).

We all love each other. But sometimes,
I chase the cats, because that's what dogs do.

Bunny is my plushie.
It squeaks when
I bite too hard.

I'm also quite fond of naps.

"Outside, Pepper!" Mom says when she's ready for a walk.
Hurray! I can finally leave the house!

A squirrel! I try to chase it,
but Mom yanks the leash. No fair.

I love our walks.

"Be nice, Pepperoni," says Mom.
Doesn't she understand
that I can't contain myself
when I see a squirrel?
But it's still a nice walk.
