

All of Quinn's friends have pets.
Anna has a cat. Marco has a hamster.
Johnny has a puppy and a bunny!

But Quinn doesn't have a pet at all.
She asks her mom if she can have a dog.

"I'm sorry, honey, but we need to travel to visit grandparents and can't bring a dog with us."

"Maybe Daddy can stay home," says Quinn.

"Will you pick up after your dog?"

Quinn doesn't want a dog anymore.
