

Hello, Dog. What a beautiful song!
It sounds so friendly . . . Is that a **guitar**?
Do you **strum** the **strings** with your **fingers**?

Will you play another song for us?

Hi, Raccoon. That instrument's huge!
Is it a **cello**? Do you **pluck** the **strings**
with your **fingers**?

Will you treat us to more pretty music?

Hello, Tiger. What instrument are you playing?
It sounds cheerful but also a little serious sometimes . . .
Is that a **violin**? Do you **bow** the **strings**?

Will you let us hear more?
